Legion Post 77 forced to reduce facility use

BY TRACI BONNEY
Several organizations will no longer be able to use American Legion Post 77 facilities, since Post 77 was compelled to discontinue all bingo games recently.

Post 77 stopped the games after receiving a letter from State Attorney General Mike Moore threatening the post with a lawsuit if it didn't discontinue bingo playing.

Commander Lawrence Freeman said the lack of bingo funds means Post 77 cannot afford to allow organizations to use the post building free of charge. He added that he is not certain how many volunteer and community organizations will be affected.

Several organizations, including the American Association of Retired Persons, are postponing or cancelling March meetings as they search for other meeting places.

Freeman said Post 77 hopes to avoid increasing dues for post members to raise funds. "We have some ideas for fundraisers. We're working on them now. I don't want us to have to raise dues because most of our

Collision injures four

BY DENA BISNETTE
A Saturday night collision which blocked both lanes of Highway 603 at Kiln injured four people.

According to Roy Fullerton of the Mississippi Highway Patrol, the accident occurred on a curve near Shifalo Baptist Church just south of the caution light at Kiln.

The accident occurred at about 7:45 p.m., the trooper said.

Crystal Poulos, 27, of Biloxi, who was driving a 1982 Buick in the southbound lane, told Fullerton she had seen a pedestrian or possibly a person on a bicycle and moved into the northbound lane to avoid hitting the person.

The second car, a 1985 Lincoln Town Car driven by Linda C. Smith, 41, of Picayune, was going north.

Fullerton said physical evidence at the site showed that Poulos tried to make a sharp swerve back into her own lane, which sent the Buick into a 180-degree spin in the center of both lanes.

The result was an angle collision which impacted on the right front side of the Buick but was a full front collision for the Lincoln, the trooper said. The Lincoln then began to spin and slid 39 feet down an embankment and into the treeline.

Poulos had to be partially extricated from her vehicle by the Kiln Volunteer Fire Department. She was taken to Memorial Hospital at Gulfport by Mobile Medic Ambulance Service.

Man wanted in murder kills self near Stennis

BY DENA BISNETTE
The Hancock County Sheriff's Department is working with the New Orleans Police Department to investigate a probably murder-suicide in which the suspect crossed the Mississippi-Louisiana border.

Hancock County Sheriff Ronald Peterson stated that his department received a call at 1:30 a.m. Monday morning from

Stennis Space Center because a man had just shot himself at the facility's south gate.

Peterson said the man was identified as Jude B. Fury, 45, of New Orleans.

Space Center Security personnel told sheriff's department that Fury had approached the south gate and stopped his car, where Barry Hoda of Quad-S,

the center's security contractor, asked him if he needed assistance.

Fury pointed a 38-caliber revolver at Hoda, then turned the gun on himself and shot himself in the left chest, Peterson stated. An autopsy by a forensic pathologist in New Orleans Tuesday morning showed the gunshot wound to be the cause of death.

Peterson said that an investigation revealed that Fury, at about 10:30 p.m. the night before, had allegedly killed his mother in New Orleans.

"I understand he shot her three times," Peterson stated. "It was a five-shot revolver and we found one shot left in the chamber," the sheriff added.

The gun was given to the New Orleans Police Department's homicide division for ballistics testing.

Hancock County Sheriff's Department Investigator Nathan Hoda is in charge of the local part of the investigation.

Catfish harvest at County Farm

BY ELLIS CUEVAS
Some 150 pounds of freshwater catfish were harvested from a pond at the County Farm on Wednesday.

Catfish fingerlings were given to the sheriff's department for the County Farm last March, according to Delbert Seay, criminal investigator.

"Some 1,200 fingerlings were placed in the pond last March and they are now averaging one to one and half pounds each," Seay said.

Pat Toomey, a retired officer with the State Department of Conservation, has been giving assistance on the catfish

Thompson, Wilcox vie for school board slot

BY TRACI BONNEY

The Bay St. Louis-Waveland School Board will hold a runoff election Saturday to select a new board member from the outside territory of the school district.

Voters will cast their ballots from 9 a.m. to 6 p.m. at Waveland Elementary School to determine whether the slot will be filled by Ruth Thompson or James D. Wilcox, both newcomer candidates.

Thompson, owner and operator of Ruth's Bakery, reiterated recent statements concerning

leadership and accountability. "All board members, whether appointed or elected, serve the entire school district through policy and accountable decisions."

"I hope to provide leadership and accountability on the school board necessary to establish policies that will raise the standards of education in the district," she said.

Thompson believes two major issues facing the board at this time are the shortage of textbooks in certain classes and the unwise usage of tax money.

She said many residents in the school district, who otherwise would not mind raises in taxes, have voiced complaints that they are not getting their money's worth for the tax dollars paid into the school system.

Of her own campaign, she said one complaint has been that most of the voters believe she lives in Bay St. Louis, where her business is located. "I've lived in Waveland part-time for 37 years and full-time for seven years."

Thompson added that she ELECTION—Page 5A

Civil service bill still needs governor's okay

BY DENA BISNETTE

A bill that would allow civil service status for Hancock County Sheriff's Department employees awaits only the signature of Governor Ray Mabus.

The local and private bill was approved by both the State House of Representatives and the State Senate this week. State Representative J.P. Compretta said he had introduced it at the request of the Hancock County Board of Supervisors and the sheriff's department.

"Basically, it protects their jobs from politics," Compretta said from Jackson Wednesday. If Mabus signs the bill, when it becomes effective newly elected sheriffs will not be able to fire the previous administration's personnel for political reasons only.

"That way, we're hoping the employees will begin to see their jobs as more long-term and more of a career," Compretta said.

The bill will not apply to Hancock County Sheriff Ronald Peterson because he is an elected official, but Peterson said he had personally backed the proposal.

The bill also will not apply to the sheriff's chief deputy, Compretta said, but will apply to other current full-time employees who have qualified under the other requirements for their respective jobs, including the minimum standards act where it applies.

Some employees were covered by a grandfather clause in the minimum standards act, but in Hancock County there will not be questions about the training required for civil service because all deputies who have patrol duties have been trained under that act.

Jailers and other employees were not covered by the minimum standards act and have different requirements to meet,

and as long as they are qualified under those criteria will be covered by the civil service.

Peterson stated that other than himself and Chief Deputy Delbert Seay, all employees are eligible.

"We have a lot of experienced people here. Some have been here a number of years. Also, we

Toddler drowns in fish pond

BY DENA BISNETTE

A 23-month-old child drowned in a fish pond off Harvey Road in Leetown Monday afternoon.

According to Assistant Hancock County Medical Examiner Jim Odom, the child was identified as Christopher Spell, son of Michael Spell of Leetown and Pamela L. Mooney of Nicholson.

The toddler had been left with a babysitter and wandered out of the house at about 2 p.m.

After a 15-minute search, a neighbor, David Lee, got the baby out of the pond. Triple A Ambulance Service personnel were able to get a faint pulse, Odom said, and took the toddler to Crosby Memorial Hospital in Picayune, where he died at about 4 p.m.

Assisting at the scene were Sheriff Ronald Peterson, Investigator Delbert Seay, Deputies

Deron Cuevas and Terry Roberson and Bureau of Marine Resources Enforcement Officer Stanley Hamilton.

Also assisting was Mt. Carmel Volunteer Fire Department, which is covering for the Leetown Fire Department under a mutual aid agreement while most of the Leetown volunteers are in Panama with the National Guard.

Body of man who jumped found, death determined to be suicide

The body of a former Waveland resident who jumped from the US-90 Bridge over the West Pearl River in St. Tammany Parish has been found.

The body of 44-year-old William Wright was recovered from the river at about 9:30 a.m. Saturday, almost a week after his March 4 death, a spokesman for the St. Tammany Parish Search and Rescue Unit said. Because there were two wit-

nesses to the jump and there was no sign of injury, the death was ruled a suicide by St. Tammany Parish Coroner Ted Brustowicz. An autopsy will not be conducted.

Wright and another former Waveland resident, Judy Hand, were crossing the bridge on the morning of March 4 when the man stopped his vehicle in the middle of the bridge, went over to the rail and jumped.

Hand told authorities she went under the bridge to see if she could find Wright from the river bank, but was unable to do so and went to a nearby houseboat to telephone the sheriff's department.

She told deputies she and Wright had been living in the car for several months and that he had been despondent over money problems. They had been working in roadside flea markets in Hancock County.

L. Ladner and 13-year-old Laura M. Dhuy, were also injured and taken to Memorial.

Fullerton stated that all three people in Smith's car were wearing seatbelts. He stated that there was a "strong possibility of a fatality" occurring had the people not been observing safety precautions.

Hancock County Sheriff's Department supplied traffic control personnel while the road was closed.

A spokesperson for Memorial Hospital stated that all four of the injured people had been discharged from the hospital by Wednesday.

Freeman added that Post 77's charitable contributions and scholarships also are suffering from the shortage of funds.

"Our scholarships will be cut. All giveaway programs have been stopped until we get bingo back, and I don't see that happening any time soon."

In addition, the Welfare Department will not be able to use the Post 77 facility for its commodities distribution program and the Retired Senior Volunteer Program will no longer use the building for free blood pressure screenings.

Bay man killed in cycle crash

BY DENA BISNETTE

A Bay St. Louis man has been killed and another injured in a motorcycle accident.

Gordon E. Bean, 29, of Rt. 6, Bay St. Louis, was pronounced dead at the scene by Assistant Hancock County Coroner Jim Odom.

His roommate, Richard A. Sorcic, 33, was riding on the back of Bean's 1978 Harley Davidson when it crossed a ditch, crossed both lanes of US-90 and hit a dirt bank at US-90 and Rita Cure Road at about 2 a.m. Sunday.

Sorcic suffered multiple

fractures and lacerations.

Bean died of head injuries, Odom said. Although Bean's helmet had been cut away so that it did not cover all of the back of his head, Odom stated that he did feel the altered helmet contributed to the death because the fatal injury was to the front of the rider's head.

The accident is under investigation by the Mississippi Highway Patrol, which has not yet determined which rider on the motorcycle was driving and which was the passenger, patrol spokesman Joe Gazzo stated.

Trooper Roy Fullerton is in charge of the investigation.

"QUOTABLE QUOTES"

By Ellis C. Cuevas

Saturday is another very important day for the qualified electors residing outside the city limits of Bay St. Louis.

There are two candidates left in the race for school board and one will be selected on Saturday with voting from 9 a.m. to 6 p.m. at the Waveland Elementary School, St. Joseph Avenue.

This is a very important position and all the qualified electors of the Bay-Waveland School District residing outside Bay St. Louis are eligible to vote.

I realize that Saturday is the day for the St. Patrick's Day parade in Waveland, but there is plenty time for everyone to vote.

It would probably be a good idea for parade goers to vote before the event. This will keep them from forgetting to vote.

If you are qualified to vote and did not do so two weeks ago, you can vote this Saturday.

The candidate of your choice needs your vote Saturday.

The 27th Annual Waveland Civic Association St. Patrick's Day parade is scheduled for 2 p.m. Saturday.

This is a day when every resident of Waveland becomes Irish, and green is the color of the day.

The parade will form on Waveland Avenue and then proceed to Central; Central to Coleman; Coleman to Beach Boulevard; Beach to Lafitte Drive; Lafitte to Central; Central to Coleman and then disband.

Jay Lagasse, president of the Waveland Civic Association, reports he expects a record number of spectators for the parade on Saturday.

The annual event, which for many years was spearheaded by Jay's father, the late Jimmy Lagasse, appears to grow each year.

This year's grand marshal is John C. Mason, who was selected by the club's members. Mason is the owner-operator of Mason's Exxon in Waveland.

The 1990 Colleen is Jennifer Mittie Lee, daughter of Mrs. and Mrs. Michael Lee of Bay St. Louis. She is a junior at Bay High School.

John reports he is having some knee problems once again, but will be leading the parade Saturday, even if he won't be walking the entire route, as he may have to ride some of the route in a convertible.

The parade on Saturday should be a good one, and I hope to see you there.

I have had several folks comment to me about the beautiful azaleas and where they are located.

Some folks are hoping the flowers will still be around for the Annual Spring Pilgrimage which is next week in the Bay-Waveland area.

While on the subject of flowers, have you noticed how beautiful the pink roses are in front of Bay Tech on North Second Street in Bay St. Louis?

Beautification appears to be Bay Tech's priority throughout the year, and they should be complimented for their efforts.

Among the groups of beautiful flowers, I failed to mention last week, were the bridal wreaths in the area along with dogwood trees.

I have always enjoyed flowers, no matter how large or small.

On Saturday, the American Legion Auxiliary Unit No. 77 will hold its annual corned beef and cabbage dinner at the post home on Coleman Avenue.

Serving will begin at 11 a.m. and Irish stew, hot dogs and desserts will be available.

Proceeds will be used by the Auxiliary for the unit's special projects.

The Bay St. Louis Little League has taken over the Babe Ruth League.

IN CONGRESS

By Rep. Gene Taylor

It's more important than ever in the next few weeks that South Mississippi residents stand up and be counted.

The 1990 Census is underway and within the next four months an army of more than 425,000 workers is expected to gather statistics from an estimated 106 million households.

What is being described as the largest peacetime undertaking by any civilian agency of the federal government is expected to present a new economic and ethnic picture of America when the counting is done. But the survey will yield a lot more than a definitive number of Americans.

Census information can help the nation identify its homeless and poverty problem areas. State and federal representation depends on the census survey. And as much as \$38 billion in federal aid is distributed annually on the basis of the data.

Generally, the larger the metropolitan area the greater the chance of qualifying for federal aid. Mayors of cities like Hattiesburg are urging citizens to taken the time to complete Census Bureau questionnaire packages that are expected to arrive at homes starting March 23.

Mayor Ed Morgan notes that in 1980 a 3,000 to 5,000 census undercount caused Hattiesburg to miss reaching Metropolitan Statistical Area status and miss out on the economic aid that

accompanies such a rank.

On a federal level, U.S. legislators from the Sunbelt states are urging residents to fill out forms and return them to the Census Bureau by the April 1 deadline. Congressional districts, state legislative districts and local government districts will be redrawn according to the census data.

The Census Bureau will deliver the president a detailed "apportionment count" by December 31. The statistical data will be passed on to the states by April 1, 1991.

Please support the 1990 census. Your cooperation will contribute to the economic and social development of the state.

LETTERS TO THE EDITOR

Coast could be beautiful again with a little care

Dear Sir:

Regarding your editorial Sunday, March 11, I too have noticed how beautiful the azaleas are in the area while blooming. And, it seems we are blessed that the freeze this past winter didn't kill all of the azaleas and wisteria.

After having been away, employed out of state for many years, and returning to Bay St. Louis in my retirement, I was grossly saddened to note how badly the Gulf Coast area has deteriorated due to the number of very stupid and dumb morons who toss litter and garbage along our roadsides and on our beaches, and the trash dumped in our natural wooded areas; the large number of beautiful live oak and palms that have disappeared, and the great number of "for sale" signs everywhere.

I remember, as a child many years ago, the lovely "Azalea Trail" which ran from New Orleans to Mobile along U.S. 90. Sadly, this no longer exists.

Now, riding about through Bay St. Louis, I see not just overgrowths of weeds, but piles of trash and discarded rubbish

-- old stoves and refrigerators and parts of old cars dumped wantonly about... mostly mixed with rotting garbage!

Another terrible eyesore is the number of old, rotting, dilapidated houses, many simply abandoned and left to stand and rot away.

At a time when we are deploring the encroachment of greedy developers upon our natural environment, it seems that many of these eyesores could be condemned and torn down to make way for new homes to meet the rapidly expanding population needs.

I'm not talking here about some beautiful old historic homes which rightly should be protected, but the number of abandoned trash piles of rotting houses and property filled with litter and trash and weeds. Actually, these are a disgrace to our town.

To add to all of this we have vandals going about destroying recreational facilities put up at great cost. And the wasteful dumping of redfish!

Sincerely
Paul D. Gilbert

Ireland: A little piece of heaven and earth

Letters to the Editor
Sea Coast Echo

Dear Sir:

With St. Patrick's Day almost here, I thought someone might like to know where Ireland came from. They say -

"A little bit of heaven fell from the sky one day."

It nestled on the ocean, in a spot so far away.

When the angels found it, it looked so sweet and fair, They said suppose we leave it,

For it looks so peaceful there.

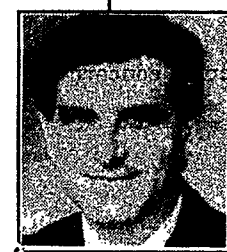

Then they sprinkled it with stardust just to make the Shamrocks grow.

It's the only place you'll find them, no matter where you go.

Then they dotted it with silver, just to make it's lakes so grand,

And, when they had it finished, sure they called it Ireland.

REPORT FROM THE SENATE

by Sen. Vic Franckiewicz Jr.

Legislative session means closing, acting on bills

With only three weeks left in the 1990 Session, the Senate's activities last week concentrated on nearly 100 bills already passed by the House of Representatives. Open meetings, local fire department funding, prison industries, seat belts, and landlord/tenant rights were among the issues addressed.

The Senate amended most of these House bills, so they must be returned to the House of Representatives for concurrence; then they go to the Governor for approval. If the House does not agree, a conference committee of three Senators and three Representatives is formed to work out a compromise which must then be approved by both houses and submitted to the Governor.

To ensure that the public is properly informed of public meetings, the Senate amended the open meetings law to require that notice of recessed, interim or any called special meetings be posted in a prominent public place within one hour after the meeting is called.

I am sorry to say that the Senate version of this bill is much weaker than the House version, which would have tightened up on potential abuses of the open meetings law.

To help our local fire departments upgrade their equipment and establish pension funds, the Senate passed a bill that will increase the amount of insurance tax rebates into the fund each year until it reaches \$1 million more than the present \$4.45 million.

The annual increase will be a percentage of the growth in insurance premium taxes. The bill covers both paid and volunteer departments.

Prison industries at our state correctional facilities is an untapped program with great potential. The program not only provides inmates with useful activities that can lead to mean-

ingful employment; it can reduce the cost of keeping inmates, and can enhance security by reducing idleness and providing an incentive for good behavior.

To revitalize the program, the Senate passed its version of the House bill to create a non-profit corporation to manage prison industries at correctional facilities in Parchman, Greene County, Rankin County, and at other work centers.

To provide operational expertise, the board of directors will include representatives of manufacturing, agriculture, banking and finance, marketing and labor, in addition to the six members from the state at large; all would be appointed by the Governor.

The Commissioner of Corrections and the President of Mississippi Delta Community College will also serve on the board. Before establishing any new industries, the board must conduct a marketing feasibility study and hold a public hearing on the impact on the private sector.

The Senate passed three bills designed to promote vehicle safety. One would require the use of seat belts by the driver and front seat passenger with exceptions such as drivers of farm vehicles, meter readers, rural letter carriers, and persons with a written medical exemption.

This is actually a very weak bill, but it was the general feeling that a public educational program on the effectiveness of seat belts and posting of signs on Mississippi's mandatory seat belt law would be the first step toward compliance; if this is not successful, penalties could be added later.

A second bill amends the "tinted window" law to allow only a Department of Public Safety law enforcement officer to determine if the tint is within

Asylum inmates are center stage in Bay's 'Marat/Sade' production

By ED CRICKMER

The Marquis de Sade, Jean-Paul Marat, Voltaire and a host of asylum inmates come to life tonight at the opening performance of "Marat/Sade," a musical play performed by the Bay St. Louis Little Theatre.

The explosive drama by Peter Weiss is titled in full "The Persecution and Assassination of Jean-Paul Marat as performed by the inmates of the Asylum of Charenton under the direction of the Marquis de Sade."

The play is based on the historical fact that the notorious Marquis de Sade spent the last 13 years of his life in a French asylum called Charenton. During his stay he wrote several plays that were put on by the inmates.

Author Weiss has imagined what the marquis might have written about Charlotte Corday's famous bathtub killing of Jean-Paul Marat during the French Revolution and how he might have directed it in the asylum bath house.

Music for the play was composed by R. C. Peaslee.

In 1966 "Marat/Sade" received the annual Antoinette Perry Award for the best play of the season as well as receiving the New York Drama Critics Award. The Bay St. Louis Little Theatre is the first community theatre group to present this play in Mississippi.

The director is Dr. Larry Heller. He is assisted by Jane Sharp.

My hat is off to Heller for presenting a play of this magnitude. This is not your typical community theatre production. The play has an underlying tone of social injustices as they were not only during the French Revolution, but also in today's world. This is an adult play not

intended for children.

Bruce R. Snyder, a veteran Coast actor, is superb in his portrayal of Jean-Paul Marat. His stage presence is excellent and professional. Snyder is one of the best actors I have seen on a community theatre stage.

Carl Danna, another well-known Coast actor portrays the Marquis de Sade. His line, "I don't know if I am the hangman or victim," fits his role well, as he directs and watches the inmates around him. Danna also does an excellent job with his role. I almost thought the marquis was a normal type until the whipping scene.

Diane Thomas, one of several area high school students in the play, does an outstanding job with her role of Charlotte Corday. She will be a talent to watch in later productions.

Bryan Von Der Bruegge, another area student, is equally as strong in his role of Duperret. French Brandon as Jacques Roux looks and acts well his part of a crazy priest, even though he only joined the cast last week to replace another actor who has taken ill.

One of the best performances of the evening was that of Bobbey (sic) Poole as the Herald. His humor and acting ability rate very high.

Larry Timmerman, Carol Young, Dottie Overal and Lana Noonan are marvelous as the singers. Though several are relative newcomers to the stage, it doesn't show. They add a musical tone to this otherwise intense drama.

Jennifer Smith, another local student, was top notch as the on-stage musician and inmate. The haunting tones she played added much to the show.

Simonne, played by Edith Back, was great. As nurse to

Marat, she was on center stage throughout the entire play. She stayed in character very well despite having few lines to deliver.

Ed Craig, Sally Rodrigue and Amber Young all played their parts well as the Coulmier Family, the owners of the asylum. While all was crazy around them, they watched in regal splendor.

Another good character performance was given by Edith Smith as The Nun. She quietly read her Bible until called to action to keep Duperret in line with a small horse whip.

The Mad Animal, Don George, was very convincing, especially when he wandered into the audience.

A note here: Don also did the makeup for the show. Without his make-up talent, the play would not have been as dramatic.

The set was very sparse, so the makeup had to stand out well. This is the first time I have seen a "living set" and it played very well.

Toni Handshoe and Joe Gilliam were very convincing as inmates. Joe, with his pan on his head, and Toni, with her torturous head movements, made one feel what life must have been like in an asylum of the time.

Other actors giving equally good performances as inmates were Kim Williams, Kat Fitzpatrick, Melanie Howard, Noel Gillan and Jane Sharp.

The only criticism I had was that the first act is too long, but I would guess that the playwright planned it that way.

My congratulations to the whole cast and crew.

Heller has been very ambitious in picking this type of play for community theatre. All who

watch may not like it, but in my opinion, it is one of the better community performances I have seen. "Little Mary Sunshine" it is not.

It is an intense play directed and acted very, very well. The actors rival any college company I have seen and stand well above most community theatre I have seen in my home states of Virginia and West Virginia.

The play runs March 15, 16, 17, 23 and 24 at the BSLT Boardman Avenue Playhouse. Curtain time will be 8 p.m. for all performances.

Tickets will be on sale at the door, \$5 adults, and \$2.50 for students.

intends to remain accessible to the public at all times. "I will always be available at my business...to listen to any problems, or to suggestions that anyone has to improve the school system."

"I will not be an invisible board member. I care about the education of our children."

Wilcox, owner of Wilcox Pharmacy, also reiterated his

recent comments concerning the school board and his plans as a board member.

"If elected to the school board, I will work toward providing an education for the students of this district that will meet the needs and challenges of excelling in college and the workplace."

"The citizens of the Bay-Waveland area invest a sub-

stantial amount of their taxes toward education. I want to see that they get their money's worth. I want to see a standard of excellence raised in our classrooms."

As Wilcox sees it, the decline in students' test scores is a major issue for the school board.

"I will work to see that this problem is corrected through strengthening the curriculum, ensuring all students have access to computers, encouraging parental input and more involvement of the teachers in the decision-making process."

"I would like to see a teacher representative from each school and a student representative at board meetings to discuss problems they are encountering and also allow them to have input by listening to their ideas on improving the system."

"A major goal will be to improve cooperation among administrators, parents, teachers and school board (members)."

"If we work together we can find solutions to the problems."

the law.

Citizens have been complaining of tinting businesses telling customers that their windows were illegal in order to sell them another tint job. Another bill increases the penalty for those who do not use child restraint seats for children under age two in a vehicle.

The Residential Landlord and Tenant Act, as passed by the Senate, would apply to any rental agreement entered into after January 1, 1991.

It sets forth the types of rules and regulations which landlords may adopt and how deposits may be used. It requires landlords to comply with building and housing codes affecting health and safety and maintain a rental unit in substantially the same condition as when it

was rented.

The tenant is required to keep the premises clean and safe; not deliberately or negligently destroy, deface, damage or remove any part of the premises, and did not disturb the neighbors.

If the landlord does not comply with the terms of the rental agreement or the above mentioned terms, the tenant can terminate the agreement 90 days after giving written notice to the landlord if the problem in question has not been fixed.

I would be glad to hear your views on any issue. You may write to me at the Mississippi State Senate, P.O. Box 1018, Jackson, Mississippi 39215 or call 359-3770. On weekends, I can be reached at 467-2399.

have a lot of money tied up in each officer in the form of training and all that," Peterson said. He said the minimum standards act has added to the training and professionalism of each officer and has made law enforcement more of a career than it used to be.

Peterson said he recently attended a state sheriff's association meeting and found that Hancock County will be one of the first to have civil service for its law enforcement workers. A similar local and private bill for Harrison County is also awaiting the governor's signature.

Peterson said some counties do not want civil service, and that in talking to local legislators he found one committee member had argued against it because he felt granting civil service to sheriff's department personnel would start a chain reaction, sparking moves for civil service in other county departments.

project.

As the fish were being caught, Toomey said they appeared to have done very well in the small pound.

Trustees made just two passes across the pound to collect about 150 pounds pulling by hand a small shrimp trawl Wednesday.

After catching the fish, the trustees had to skin, clean and package the fish for the jail's freezer.

"The catfish will be used to help supplement the jail's food, as does produce grown at the county facility," Seay added.

The jail is still using items grown last season, which have

been kept in a walk-in freezer.

Some eight to 10 trustees work at the farm, Seay reported, and early spring crops have already been planted and are starting to grow.

Seay indicated the harvest of catfish will be an estimated 1,500-2,000 pounds and will take several days because of the time it takes to process them.

Currently Deputy James Necaise is overseeing the County Farm in the absence of Capt. Buford Perry, who is on sick leave.

The County Farm is located on Highway 43 behind the county's central maintenance facility.

THE SEA COAST ECHO—THURSDAY, MARCH 15, 1990-1B

SECTION B

TIME OUT

By Dena Bisnette

Congratulations to Pat Kergosien of Bay St. Louis, who topped the Coast Decathlon competition this past weekend with 5,008 points.

He had times of 6:07.76 in the 1500-meter run and 17.32 seconds in the 110-meter high hurdles; and distances of 4.0 meters for pole vault, 27.50 meters for the discus and 46.60 meters for the javelin.

The event was sponsored by Gale Force Winds Masters Track and Field Club.

Bay St. Louis Babe Ruth League is being replaced by Senior Little League, which will be open to boys ages 13 to 18.

Registration will be accepted from 6 p.m. until 8 p.m. tonight Friday at Bay St. Louis Little League Ballfield, which is located on Athletic Drive next to Bay High's facility. Registration for Little Leaguers ages 9 to 12 will be taken the same nights.

For further information, call 467-5984 or 467-2492.

Waveland Little League will be accepting registration on Friday, Tuesday and Thursday from 6:30 p.m. until 8:30 p.m. each night at Elwood Bourgeois Park on Central Avenue.

For more information, contact Bernard Tusa. By the way, players who participated last season do have to register again.

Coast Episcopal Schools is sponsoring its second annual Coast 5K Challenge on March 24 at War Memorial Park in Pass Christian. The event begins at 9 a.m. on a I.A.C.-certified course, which finishes up on Scenic Drive. There is still time for early registration for the race and the accompanying one-mile health run, which will be hosted by Gulf Coast Running Club.

For more information, call Jim Wyly at 467-9730 after 6:30 p.m., Blair Lambert at 452-3669 or Lindo Sullivan at 832-6071.

Registration forms have been placed at several local businesses.

Registration is still being accepted for the Hancock County Heart Association's fifth annual Golf Festival, which will be played Saturday, April 21, on Diamondhead Country Club's Cardinal Course.

Participants will have a choice of a shotgun start at 8 a.m. or 1 p.m., but the field is limited to the first 60 teams entering each session.

The \$60-per-player entry fee is tax deductible and includes green fee and half a cart fee. Diamondhead Property Owners Association members who have already paid green fees will be able to register at a discount price. For information, contact chairman Stephen Planchard at 255-2660.

For registration, send name, address, handicap and telephone number and the check for the registration fee to Herb Larson, 6838 Hilo, Bay St. Louis, MS 39520. Don't forget to indicate if you wish to be paired with another entry.

By the way, sorry about the error in the date for this event that I gave you in last week's *Time Out*. I goofed and used last year's press release as a reference.

The first annual St. Patrick's Day Derby 5K will be run Saturday, March 17 at 10 a.m., beginning at Biloxi City Hall. Registration will be accepted prior to the race, beginning at 9:45 a.m. The event is sponsored by Hibernia Marching Society.

One of a few remaining Amateur Softball Association umpire clinics is scheduled for tonight at 6:30 p.m. at Biloxi's Cedar Grove Center. The clinics are required for anyone who wants to work any of the 1990 district, state, regional or national tournaments.

The last one that is scheduled nearby will be March 28 at Long Beach High School. Clinic fees will vary according to location.

The Gale Force Winds Masters Track and Field Club will host its second annual Spring Classic meet April 21, beginning at 9 a.m. at the Gulfport High School all-weather track facility.

Events scheduled include shot put, 100-meter dash, high jump, pole vault, 3,200-meter run, 300-meter run, discus, 200-meter dash, long jump, 800-meter run, 55-meter dash, short hurdles, triple jump, long hurdles, 1500-meter run, 400-meter dash and javelin.

There will be divisions for males and females ranging from under 18 to 85 and up.

Fees will vary according to the number of events entered, with Gale Force Winds members receiving a \$2 discount on all registration fees.

For more information or registration forms, contact Jim Rose at 863-1904 or 864-3278 or Ed Wheeler at 832-1988.

The fourth annual Budweiser Men's and Women's Softball Classic is looking for entries.

The tournament will be played March 30 and 31 and April 1 at Rudy Moran Field in d'Iberville. Fees for the ASA-sanctioned event will be \$85 for men's teams and \$75 for women's teams.

For information, call Dino or Tina at 392-5177 after 5 p.m. or 392-7575 during daytime hours.

Bay High drops two home games

The Bay High Tiger Baseball Team dropped their first two home games, losing the opener 9-4 to Mandeville High.

Mandeville started ahead when its lead-off batter got aboard with a single and scored after two walks and a Tiger error.

Bay High pulled ahead with two runs in the bottom of the first after walks by Thomas Brinks and David Weems. Scott Barnes was hit by a pitch to load the sacks, then Charlie Mitchell drove in the first run with a base hit single to left field.

With the bases still loaded, Darrell Murphy hit a clean shot just right of center for a double and added two more runs.

In the top of the second inning, Mandeville scored three to pull ahead after three walks and a single.

Bay High's lead-off batter for the bottom of the inning drew a walk but was unable to advance.

Mandeville had the bases loaded in the third but the Tigers stopped them with an out at home on a play by Brinks and Scott Rogers.

The next batter grounded to shortstop, where Tiger Charlie Mitchell turned in an unassisted double play.

The Tigers tied the score with a walk to Mitchell and a double by Rogers. Calvin Thigpen, the next batter, hit a single but the Tigers were unable to drive the run in.

The next inning was scoreless.

In the top of the fifth, Mandeville picked up one run to pull ahead on a walk and a two-

bagger by Yarborough.

In the top of the sixth, Will Seymour relieved Brink and gave up four singles and four runs before he retired the sides.

Neither team scored in the next two innings, posting a final score of Mandeville 9, Bay High 4.

On Friday night, the Tigers lost their second home game and first conference contest to Stone County.

In the top of the first inning, the Tigers made some costly errors, giving up three runs.

During the bottom of the inning, Thigpen led off with a single but was put out on second. Barnes made up for it with a double play.

In the top of the second, Bay High gave up two more runs on throwing errors.

In the bottom of the fourth, Bay High started with a single by Thigpen, a base on balls by Barnes and a fielder's choice by Weems and Rogers.

Seymour relieved Weems on the mound and retired the sides, three up, three down.

In the sixth, Stone jumped back with two bases on balls and a double, scoring two more runs.

Mitchell took over on the mound in the seventh and gave up a double, single and two walks for two more points for Stone.

This week's games for the Tigers include an away game at St. John at 6 p.m. Friday; an away game at East Central at noon Saturday; and a home game against St. Stanislaus at 6 p.m. Tuesday.

Locals in Diamondhead Pro-Am hold own with professionals

University of Southern Mississippi may not have won the Metro Conference Basketball Tournament on the Coast this weekend, but Golden Eagle-affiliated players came out on top in Diamondhead's first Pro-Am Tennis Doubles Invitational.

With 20 teams divided in four groups of five teams each, the top two teams of each group advanced to the quarterfinals, according to Magnus Eklund, pro at Tennis World, which sponsored the tournament.

USM Tennis Coach Teddy Viator teamed with Bill McCollister of Long Beach to win the event, Eklund said.

Viator is a former Louisiana State University stand-out and world-ranked player who dominated the final with quickness and positioning; Viator's ability was complimented by the steady-playing McCollister, the

pro added.

He said the surprise team, Raymond Hudson of Hattiesburg and Neil Hutchinson of England, could not repeat a stream of upsets throughout the final rounds.

Mary McDonnell of Diamondhead and Donovan September of South Africa lost a tough match to former Wimbledon and U.S. Open player Bill Connery of Waveland and his partner, former Samford University stand-out Ronnie Holmes of Nashville.

In the quarterfinals, Connery and Holmes won 6-2 over McDonnell and September, who went into the round with a perfect 4-0 record.

McCollister and Viator defeated Tom Tuttle of Diamondhead and Hugh Manning of Huntsville, Ala., 6-4.

Eric Grabadski of Gulfport, a steady player, and flashy fore-

hand slugger Johan Eriksson of Sweden teamed up, defeating Paul O'Neal of Ocean Springs and Mickey Dominguez of Gulfport 6-3.

In the fourth quarterfinals match, Hudson and Hutchinson were victorious, 6-3, over Don Gaddy of Gulfport and Mark

Thompson of Jackson.

In the semifinals, Viator and McCollister defeated Holmes and Connery 6-2; and Hutchinson and Hudson defeated Grabadski and Eriksson 6-4.

Viator and McCollister won 6-1 in the finals over Hudson and Hutchinson.

Girls softball league to register

Registration for Little League Girls Softball will be held Thursday and Friday, March 15-16 from 6 until 8 p.m. at McDonald Field, corner Ulman and Dunbar Avenues.

Each player is required to supply a copy of her birth certificate and a \$15 registration fee. Age groups include 9-12, 13-15 and 16-18.

Coaches are needed for this league. For additional information, call 467-1705, 467-8413 or 467-2492.

SSC/OLA tennis teams posts wins

SSC tennis standout Myron Labat Jr. "put the nail in Gulfport's coffin" according to Rock head tennis coach Myron Labat, with a three-hour victory over highly regarded Charlie Beasley of the Admirals.

The match, played last Tuesday at Gulfport, included tiebreakers in both the first and third sets, and Labat won them both.

The Rocks took the match 3-2 with Labat's win, and victories by mixed doubles team Mike Cromwell and Betsy Boyce and boys' doubles Marc Distefano and Chris Delgado.

Cromwell and Boyce came back from being down 3-5 in the

third set to win by a 7-5 score in the third.

Distefano and Delgado held off a charge by the Gulfport boys' team to win 6-3 in the third set of a very tense match.

"The match was so close that it could have easily gone either way at any time," coach Labat noted. "The three events that we won were all three-set affairs. This time our kids would not be denied and refused to come in 'second in a field of two,'" he added.

"We have as competitive a team as we've ever had since I've been associated with the program and if we continue to work hard and win the close

ones, this could definitely be our year to go all the way."

Taking the wins, Labat beat Beasley 7-6, 4-6, 7-6; Cromwell and Boyce bested Ashton Randall and Tracy Haynie 6-1, 3-6, and 7-5; and Distefano and Delgado overcame Alan Sala and Thomas Schilling 6-3, 4-6, 6-3.

Losing to Gulfport, OLA sophomore Kristy Heitzman fell to Kathy Hoffman 4-6, 2-6; and SSC junior Anthony Spearance lost to John Pittmann 6-0, 6-2.

Thursday, the SSC/OLA team hosted the St. John Eagles and took the match 3-2 to up their overall record to 2-3.

The outcome of Thursday's match rested on the shoulders of boys' doubles team Distefano and Cromwell who were able to outlast St. John 6-4 in the

final set of a very tight match.

"In the third set of the Boys' Doubles our team finally started playing the percentages by chipping and charging, and placing their shots more strategically as opposed to attempting to power the ball passed their opponents," Labat said.

"We now have the luxury of two good boys' doubles teams and competition within the team for every varsity position," he added.

Other wins against St. John included Myron Labat Jr.'s victory over John Voelhel 6-3, 6-4; and mixed doubles Kristy Heitzman and Chris Delgado overcoming Mark Domingue and Kelly Lanier 6-1, 6-1.

Next up, the SSA/OLA team will face Bay High at St. Stanislaus on March 16.

Bourgeois among USM soccer players in London

Eddie Bourgeois of Bay St. Louis is among a 16-member soccer club from the University of Southern Mississippi visiting the United Kingdom this month.

The USM club -- 19-1-1 in the 1989 season -- is in London acting as goodwill ambassadors and set to play three matches on English turf.

"I think at the end of the season, when we were at our peak, we could have been competitive with the University of London team," Head Coach Frank Glamser said of his team's first opponent. "But with the layoff and the jet lag (playing two days after a trans-Atlantic flight) it could be anyone's contest."

Glamser, a professor of sociology and anthropology at USM and volunteer coach for the USM club, said the second match with a youth team, which is affiliated with a professional British soccer team, will not be a piece of cake. "They will kill us," Glamser said, "but it will be a great opportunity for us to play against that level of

competition."

The third match will pit USM against another tough opponent made up of young men who are still in high school, or are playing and working part-time.

According to Dr. Tim Hudson -- director of USM's Center for International Education, which is sponsoring the trip -- British higher education admits only 12 percent of high school graduates each year.

The recruiting facet of the

10-day USM soccer tour, he said, will be targeted at attracting high-ability students who are looking for alternative educational opportunities.

Barry Williams, a well-known British soccer coach and sports figure, has served as match-maker for the USM's British Studies Program, and over the past five years has served as a lecturer and soccer proponent to individuals and organizations.

Eagle Club Auction to fund scholarships

The University of Southern Mississippi's Department of Intercollegiate Athletics will sponsor the first Eagle Club Auction on the weekend of April 21.

The auction will benefit the Student-Athlete Scholarship Fund. The event will be held at 3 p.m. behind St. Thomas Church (West 4th St., Hatties-

burg) next to the baseball field. The silent auction will commence at 3 p.m., followed by the live auction at 4:30 p.m.

In addition to the auction, the annual Black and Gold Football Scrimmage will be held at 1 p.m. at M.M. Roberts Stadium and USM vs Southeastern, LA Baseball Game at 6:30 p.m. at Pete Taylor Field.

SSC Track and Field teams hope to retain District title

The St. Stanislaus Track and Field team has set its sights on the District 8 4-A championship once again this year, and if experience is any indication, they've got the manpower to accomplish that goal.

For the past two years, the Rocks have won the district, and they'll be trying to do something no one has managed yet - to win the championship three years running.

Contributing to that objective will be some familiar names on the coast high school sports scene.

Brian Brooks, a junior, owns the district record in the 1600 and 3200 meter runs, has one district title, and last year finish fourth in the state.

Earlier this year, in Cross Country, Brooks had the third fastest time in the state. In

track, he'll also be competing in the 800 meter run and the 1600 meter relay.

Junior Chris Reisch returns as district champion in the 400 meter dash which he won last year as a sophomore. As a freshman, Reisch was on top in the district in the 200 meter dash which he won last year as a sophomore. As a freshman, Reisch was on top in the district in the 200 meter dash, which is still the district record.

"This year we'll be working on improving Chris's stamina so he will give us more help in the relays," noted Rock head track coach Larry Ramsey.

District high jump champ Paul Johnson, a junior, will return in that event as well as the 400 meter dash and relays. Last year, Johnson also took

fourth in the 400.

"He is stronger physically this year," Ramsey said, "and he should be greatly improved."

Junior Ken Booker finished fourth in high hurdles in last year's outing. "He's stronger physically this year and he should improve. He may run relays if his speed is better," Ramsey said.

In the triple jump, senior Galen Smith finished third in the district. "He's a lot stronger physically this year and he should improve," Ramsey noted. Smith will also compete in the long jump and possibly in the 400 meter relay.

Senior Gary Ponthieux took third place last year in the pole vault. "He wants to win it this year," Ramsey said. "He's very motivated." Ponthieux could possibly double in the 400 meter

relay.

Senior Shannon Garrett, a starter since his freshman year, will be competing in the 100 meter and 200 meter dashes, as well as on the relay teams.

Other returners include Omer King Hebert and Robbie Bergeron who hopes to match last year's performance of graduate Jeff Battle, who took the state championship in discus.

And three new competitors may have some impact on the team's overall power. David Alexander will hurl in shot put, and Kyle Williams and Scott Marachal will compete in distance runs.

The Rocks traveled to Covington, La. on Friday for a meet, and will open their home season on March 26, followed on the 29 by another home meet.

INDIVIDUAL AWARD winners in girls' competition at Great Day of Soccer include, from left, Kristy Heitzmann, Under-18; Melissa Carver, Under-12; Kathryn Scafide,

Under-12; and Danette Frederick, Under-12. Not pictured are Kim Weinstein and Britany Ellis, both in the Under-16 division. (Echo staff photo by Dena Bisnette)

Rocks split Bonnabel tourney

Playing Saturday in the Bonnabel High School Tournament in Metairie, La., the St. Stanislaus baseball Rock-A-Chaws defeated the host Bruins 4-3, but lost to the defending Louisiana state champion Rummel High School Raiders 4-2.

Rummel boasts seven returning starters on their squad, and the Rocks dropped the game on two unearned runs on throwing errors.

"Our players deserve a lot of

credit for playing as well as they did against this caliber of competition," commented Rock head baseball coach Jerry Spell.

For the Rocks, Cedric Smith pitched five innings giving up one unearned run.

Next up, SSC squares off against cross-county rival Hancock North Central on Friday, March 16 at 4 p.m. at HNC.

"Since the season is still

young," Spell said of the upcoming contest, "all phases of the game must improve. Hancock is an outstanding baseball team with excellent coaching and several outstanding players."

"Kyle Ahlers has emerged as one of the top pitchers in our district. Casey Davis is another outstanding pitcher/shortstop that we consider a dangerous hitter. Second baseman Jeff Favre will give us problems on defense at the plate."

THE SEA COAST ECHO—THURSDAY, MARCH 15, 1990-1C

Welcome Center, Stennis Space, Diamondhead among first stops on Garden Clubs' Pilgrimage

BY JANET MCQUEEN

The Gulf Coast Council of Garden Clubs will celebrate spring with the 43rd annual Pilgrimage along the entire coast.

The event showcases homes and gardens which are open to the public free of charge. Members of local garden clubs coordinate the Pilgrimage stops and serve as hostesses at each location.

The Hancock County Welcome Center and John C. Stennis Space Center will be featured on opening day, Monday, March 19 from 9 a.m. until 4 p.m.

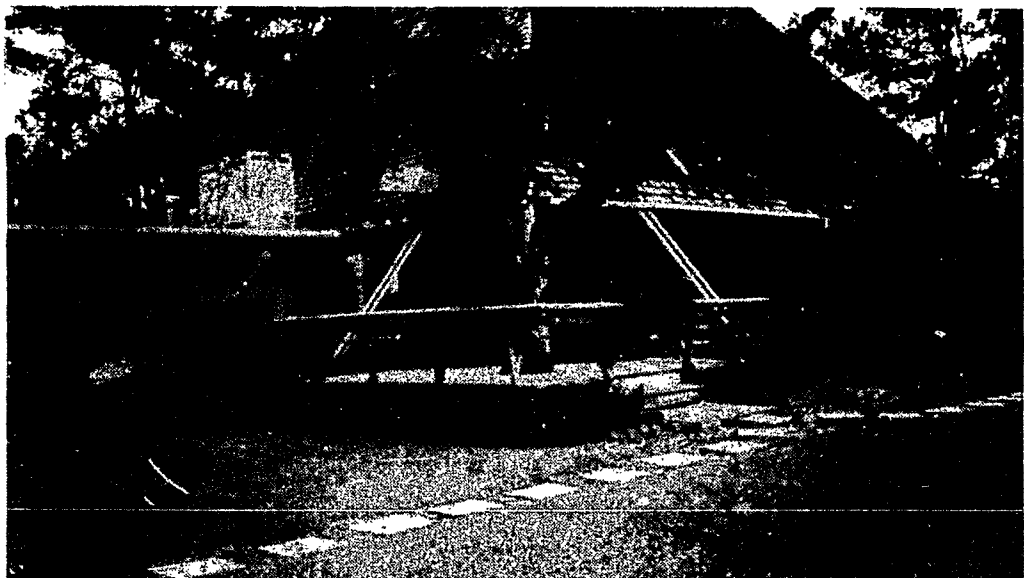

Chairmen are Mrs. George Cassis and Mrs. E. Burton Kemp-III, respectively.

a.m. until 4 p.m. Mrs. R. B. Boatright and Mrs. H. I. Morris are co-chairmen.

The Diamondhead Community Center and Atrium is always a pleasant stop prior to visiting the homes and gardens featured each year. This year horticulture entries from the club's annual flower show will also be on display while floral design entries will be featured in our open homes.

Maps will be available and refreshments will be served.

Diamondhead Country Club - Lunch will be served at the Country Club from 11 a.m. until 2:30 p.m. This will be a special

Diamondhead Community Center and Atrium

Stennis Space Center offers a glimpse of the area's rich history and envisions ideas and vistas of the near future offered by science and technology.

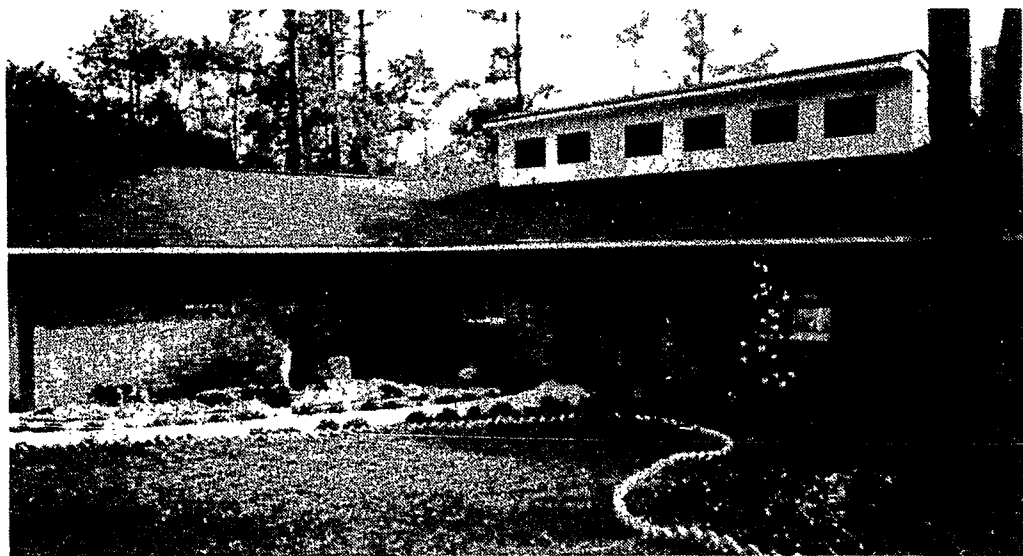

Visitors can view exhibits representing the work of the center with its resident agencies, live demonstrations, movies and a panoramic view from the 90-foot Space Tower.

Every 45 minutes, guided bus tours will take visitors to the Space Shuttle Complex and to the site of historic Gainesville on the banks of the East Pearl River.

"Dutch Treat" Buffet and reservations are a must. Call 255-2525.

646 Huko Court - Designed by owners, Mr. and Mrs. David E. Ludwig, this contemporary home in "Shades of Blue" is very bright with celestial windows and numerous sliding glass doors overlooking a man-made lake surrounding by wooded area.

A two bedroom home features a convertible den, two-way fireplace, white aspen wooden floors at entrance and living room. Cabinets in kitchen, utility, spare and mas-

Cafeteria facilities are available and cameras are allowed.

The Hancock County Welcome Center is a copy of an antebellum home, opened in 1979 at the junction of Interstate-10 and Highway 607.

Interior appointments and paintings, as well as the handsome staircase, depict the antebellum theme. Bay-Waveland and Diamondhead Garden Clubs are hostesses.

On Tuesday, March 20, 1 p.m. to 4:30 p.m. Beauvoir, the last home of President of the Confederacy Jefferson Davis, will be on display. An arboretum on the grounds features identified and labeled plant species.

A 200-year-old antique glass dome of stuffed birds (found in and around Bristol, PA) sits on a marble top antique table.

792 Ewa Street - The home of Mr. and Mrs. James H. Wahl III, this four bedroom house was designed for a young family, allowing plenty of play space as well as rooms for formal entertaining.

Shades of pinks and greens flow throughout this sun-filled house as well as other pastels.

The owner's love of flowers and botanicals appear everywhere providing year-round springtime in this cheerful home.

6650 Ahekololo Circle - Garden of Mr. and Mrs. Theodore A. Godard.

As an extension of their original property, the Godards have managed to create a "green space" within the community on their adjacent lot.

Hand clearing the property enables the saving of native trees, among them several dogwood and hollies.

They then added culvert, fill, fencing and sod, together with azalea, camelia, flowering quince, blueberry, and a host of other shrubs and plants to establish the garden.

This is a three story home in a peaceful heavily wooded setting. The second floor is surrounded by large double windows, French doors and porches.

Pastels dominate the color scheme and there are interesting pieces throughout the house, from various countries around the world, collected by the family.

The second floor has a formal living room, dining area, kitchen, music room and two guest rooms.

HNC, SSC compete in programming contest

Twenty-four area high school students participated in the University of Southern Mississippi's fifth annual High School Computer Programming Contest.

Thirty-one Mississippi and Louisiana teams on Feb. 17 competed for scholarships and prizes by solving computer programs.

Participants included: Ross Jordan, Angel Sones, Karl

Krug, Bryan Rawls, Vicky Israel, Shawn Nolin and Thomas Sones, all of Hancock North Central High School. Betty Allen was coach for Hancock North Central High School students.

Bay St. Louis participants included: Keith Harrigan, Steve Lentz, Do Nguyen, Joe Williams, Mike Cromwell, Noah Denson, Scott Niolet, Kevin Bourg, Manning Montag-

net, Andrew Williams and Erik York, all of St. Stanislaus High School. William Jennings was coach.

Ouachita Parish High School's team #1, of Monroe, La., placed first. Mississippi's School for Math and Science team #4, of Columbus placed second, and Archbishop Rummel High School, of New Orleans, La., placed third.

Kings and Queens chosen at BHS Mardi Gras dance

The class of 1991 of Bay Senior High School honored Kings and Queens at the Mardi Gras dance on February 23.

The dance was given for grades 7-9 as a prom fundraiser for the junior class. The 1990 Junior-Senior prom is scheduled for April 7.

Students elected the Kings and Queens by donating money in the students' names.

The students elected were: Queen Patricia Taylor, eighth grade; King Jeremy Clark, eighth grade; King Ryan

Schaefer, ninth grade; Queen Gretchen Breland, ninth grade; King Tony Kingston, seventh grade; and Queen Jamie Schaefer, seventh grade.

According to a spokesman, the dance was the most successful fundraiser sponsored by the Class of 91.

Coast Episcopal accepts registration

Coast Episcopal Schools is now accepting new registration for the 1990-91 school year.

Founded in 1950, CES in co-educational and enrolls students in pre-school through twelfth grade.

The elementary school is located at 912 South Beach

Boulevard in Bay St. Louis, and the high school is located on Espy Avenue in Pass Christian.

Coast Episcopal demands a highly enriched college preparatory curriculum and offers students a challenging environment where each student can excel according to his or her own

interests and talents. Small classes encourage a close faculty - student relationship and allows time for individual attention.

An extensive athletic program in the upper elementary grades and at the junior high and senior high levels allows both boys and girls to participate in a variety of sports.

For more information and an application contact the high school principal Miss Linda McCulloch at 452-9442, the elementary school principal Mrs. Betsy Grant at 46-5125 or write Coast Episcopal Schools Inc., P.O. Drawer N, Pass Christian, MS 39571.

EDUCATION NOTES

"W" Day showcases academics, activities

Mississippi University for Women's annual visitors' weekend, "W" Day, will give prospective students an opportunity to preview campus life and learn more about academic and extracurricular offerings at The W.

Students from throughout Mississippi and the southeast

are expected to gather on the MUW campus Friday and Saturday, March 23 and 24.

Friday's agenda will include Song Fest, a musical extravaganza presented each year by MUW's social organizations, a performance by MUW's Modeling Squad and a "beach" party. The theme of this year's "W" Day is "Beach Bash 90."

MUW's social clubs and other campus organizations will have displays in the Hogarth Student Union Friday. Displays by academic divisions will go up Saturday.

A panel of current MUW students will answer questions about campus life during a mid-morning session Saturday.

A session has also been planned for parents participating in "W" Day.

Entertaining Saturday will be the Masker Washboard Band and New Horizon, MUW's contemporary performing group.

"If students wish to learn more about 'W' Day, we invite them to call the Office of Admissions toll-free in Mississippi at 1-800-247-0758 or at 329-7106," said Ms. Thompson.

Williams named to Alcorn Dean's List

One Hancock County resident has made the 1989 fall semester honor roll at Alcorn State University.

To be on the Dean's List a student must register for at least twelve semester hours of academic credit and maintain

at least a "B" grade point average.

The student from Hancock County who merited honors was Augustine Williams, a pre-engineering major from Bay St. Louis. Williams was a Dean's List scholar.

MARIE SUMMERS

BHS hosts Summers exhibit

The Bay Senior High Library will feature an exhibit of oil paintings by senior Marie Summers Thursday and Friday, March 15-16 from 8 a.m. until 3 p.m.

Summers, the daughter of Edna Summers of Waveland and the late Alonzo Summers, has been recognized for her artwork on a local level.

She has been a student of Waveland artist Carl Baldenhofer for the past six years.

For more information, call Bay High School at 467-6611.

QUEEN CHRISTIANA

Taylor, Killeen reign over Pass Christian's 60th ball

In honor of 75 years of recorded Mardi Gras parades in Pass Christian, the theme of the 1990 ball and parade in Pass Christian was "Parading the Past -- Parading the Past."

Sponsored by St. Paul's Carnival Association, the ball was held Saturday, February 24 in St. Paul's Auditorium. The decorations depicted scenes from past carnival parades in the Pass.

Entering to the strains of "If Ever I Cease To Love" was the 1989 King and Queen, Mark Jenkins and Pat Scarborough.

The 1990 court of Maids and Dukes were presented by the ball captain, whose identity remains a secret.

Maids were: Elizabeth Covington, Lisa Sharlow, Bettina Taylor (wife of King Christian LX), Tanya Garitty, Anne James, Pam Ulrich, Bridget Ulrich (wife of 1990 Grand Duke), Anne Schmidt, Sheryl Sexton and Ann Reaver.

Dukes were: Robert Necaise, Alvin Genin, Arthur Garitty, Stephen Scofield, Dr. David Byrne, Jeffery Ulrich, Dane Jenkins, Hank Logan, Steve Ulrich and Dennis Ulrich.

Following the presentation of the Maids and Dukes of the Royal Court the Grand Duke, John Ulrich escorted his Grand Duchess, Kathy Rogers, to the stage to await the arrival of His Majesty King Christian LX, Jeffrey Provost Taylor.

Heralding the arrival of the

King were his pages: Charles Logan, Christian Kowalski, David Taylor and Timothy Pattison.

Resplendent in a costume of white brocade heavily encrusted with jewels, the King wore the traditional mantle of Christian, which featured the carnival crest in silver and semi-precious jewels. He wore the association's crown and scepter, which were gifts from Ernest Jahncke, worn during his rule as King of Carnival in New Orleans.

The ball captain announced the Queen's arrival with a flourish. Queen Christiana, Holly Killeen, was escorted by "Buddy" Scarborough.

Her little maids were: Amelia Taylor, Ruth Janes, Courtney Ulrich and Lindsey Rogers.

Mrs. Killeen wore a white taffeta gown with a portrait neckline. Designer bows embellished the gown's shoulders. She wore the mantle of Queen Christiana, of purple velvet, decorated with silver trim and semi-precious stones. Her mantle also featured the carnival's crest of twin seahorses. A silver tiara and a scepter decorated with orchids completed the Queen's attire.

Following the procession, master of ceremonies Wallace Farragut introduced the Carnival Association president, Jesse Parker.

Parker and Farragut pre-

sented gifts to the royalty and members of their families.

Also honored were Dr. Charles Taylor, King Christian in 1953, and father of the 1990 King; Mrs. Ione Abbey Russell, the association's oldest living Queen, Christiana (1935); and Mrs. May Abbey VanCourt for her years of activity in behalf of the carnival association. The program was dedicated to Mr. J.J. Yarborough, King Christian of 1949.

A dance program was presented by the Diane Desporte School of Dance. The members

of the royal court held the court dance and call-out dances.

Officers of the carnival association are: Jesse Parker, president; Mrs. Shannon Parker, vice-president; Sandra St. Pierre, secretary; Mattie Starita, treasurer. Association past-president is Alice Wittmann.

Trustees are Judy Marquez, Catherine Myers and Shirley Wittmann. Pastor of St. Paul is Monsignor Ron Herzog, Associate Pastor is Father Vincenzo DiLalla. Ball decorations were under the direction of Miss Kimberly Wittmann.

CLUBS, AUXILIARIES

HANCOCK WOMEN'S CLUB—New officers were recently installed by Hancock Women's Club. From left are Lois Cripple, president; Julia Loup, vice-president; Ann Whitworth, secretary; and Marion Quinlan, treasurer. Nathalie Miller was installing officer.

Hancock Women's Club

Ten years ago a representative of the Welcome Wagon organization inducted nine new residents of this area into what was to be known as the Welcome Wagon Club.

It continued to grow and prosper, but when the Welcome Wagon organization discontinued its services in the area, the club, no longer under its auspices, kept going and with only a few changes in the by-laws was renamed the Hancock Women's Club.

Today the club's membership is held at 40 members, of which three are charter members.

It has become known in this area because of the donations that have been made within the county and the state. Though the members enjoyed the friendliness and fellowship that working together has provided, the main purpose of the club remains contributing to charitable and civic organizations and projects within Hancock County with both our time and money raised through our activities.

The Hancock Women's Club met at the Bay-Waveland Yacht Club on Thursday, March 8, commemorating the club's tenth anniversary.

Nathalie Miller served as installing officer for new officers who will serve during the coming year. The following were installed: Lois Cripple, president; Julia Loup, vice-president; Ann Whitworth, secretary; and Marion Quinlan, treasurer.

Marie Brasselman was recognized as outgoing president and presented with a small remembrance in appreciation for her service during the past year.

President Cripple, after taking office, announced the names of

the following committee chairmen chosen to serve for the year ahead: Theda Fischer, ways and means; Alice Winchester, telephone; Ruth Gallagher, hospitality; Shirley Jones, publicity; and Loraine Townsend, sunshine.

Goldie Beven will continue to keep the club's scrapbook. Shirley Tingstrom and Kathleen Ridgley were introduced as the club's newest members, as were Marge Jones, Gwen Schilling, Dorothy Piazza and Joyce Maggiore as guests of various members.

Wednesday, March 28 will be Fun and Games Day at the home of Ruth Gallagher, 332 Terrace St., Waveland. This will be held promptly at noon with donated sandwiches and dessert being sold to attendees as part of the club's money-making efforts.

Next board meeting will be on Monday, April 2 at the Bay St. Louis Library, and regular monthly meeting on Thursday, April 12 at the Waveland Library. The membership is reminded to bring food donations for the Hancock County Food Pantry to this and all non-luncheon meetings.

The door prize was won by Joyce Maggiore.

1318 Kalo Court - Home of Mike and Barbara Doherty.

This home was purchased as a weekend cottage in 1987. The dining room, den, porch and ground level improvements were completed in 1989 at which time it became a permanent residence. Interior decorating and landscaping are on-going with first floor bedroom area to be redone in April and ground floor deck area in September.

Of particular interest will be the numbered and signed Mary Bertrand watercolor prints, numbered and signed Daniel Rhodes and Seago prints, a pewter collection and Charleton handpainted candle holder. In the den you will note a Gladys McCook watercolor.

Furniture of note included old wicker, furniture made by the Dedeaux Clan, a chiffonobe fashioned into a refreshment area for house guests and an upstairs bedroom is an Oriental picture purchased in Japan.

An owl collection is scattered throughout the home which stems from Mrs. Doherty's college years.

8234 Maunalani Place - The Jon Rittens have spent many happy hours pursuing

their hobby of collecting antique furniture, art and Oriental rugs. Their raised Colonial home houses many fine examples of their finds on these trips. Notable among the furnishings are Oriental rugs, an oil portrait of the Ritten daughter, Sarah, antique highboys in the living room and dining room. A silk hand painted Oriental screen bought by Mrs. Ritten in Kyoto, Japan when on a trip with her parents to the Orient. The Hepplewhite dining room table is centered with an Obi runner made by Mrs. Ritten's mother, Fannie Holcomb.

A charming rear breakfast sunroom overlooks the Bayou, swimming pool and gazebo. A Mississippi Delta watercolor on the brick wall was done by Mrs. Ritten's aunt, Dot Hector.

The kitchen features antique stained glass from Germany and a collection of antique pewter.

The master bedroom, located on the first floor, is dominated by an antique four poster bed bought in the Delta and made from Applewood. An antique burl wood wash stand and chest are also of note in the master bedroom.

The front entry door was from an old home which was dismantled in New Orleans.

How most people deal with the symptoms of a heart attack.

Hiding from a problem doesn't make it go away. In fact, hiding from the symptoms of a heart attack can make the problem worse. Much worse.

Be alert to heart attack symptoms. Chest pain and pressure are the most common. Pain may radiate down your arm, neck or shoulder. There's also shortness of breath. Cold sweat. Dizziness. Faintness and nausea.

Sometimes only a few symptoms occur. Sometimes more. Sometimes the symptoms can even be due to another problem.

Only one thing is certain. The sooner heart problems are treated, the better your chance of recovery.

That's why we're here. The Heart Emergency Service at NorthShore Regional Medical Center is the first of its kind in this area. Located in our Emergency Department, we save lives by detecting heart problems rapidly and providing necessary treatment.

If you experience *any* symptoms of a heart attack, get immediate medical attention. Anytime, day or night, you can call our emergency 24-Hour Heartline™ at 1-800-HEART-13. An emergency care professional is available around the clock to answer questions, give advice or even dispatch an ambulance if necessary.

**24-Hr. Heartline
1-800-HEART-13**

The Heart Center at NorthShore Regional Medical Center offers a complete range of cardiac care services. That's important to you during those first critical hours following a heart attack. And although you'll probably never need them, it's good to know our heart team is available 24 hours a day.

We employ powerful clot-dissolving drugs that can save lives by stopping and, in some instances, actually reversing the effects of heart attacks. The sooner these drugs are administered the better the chance of a complete recovery.

And advanced diagnostic capabilities, including our state-of-the-art cardiac catheterization laboratory, help us assess and treat heart problems more accurately and effectively than ever.

We also offer educational programs that help people prevent heart attacks, and rehabilitation services that help heart patients recover faster and more fully.

Learn more about The Heart Center at NorthShore Regional Medical Center by calling (504) 641-MDMD and we'll send you a free brochure that describes our cardiac services in greater detail.

Remember, don't hide from *any* symptoms of a heart attack. Go to the nearest hospital emergency department. If you're close to NorthShore Regional Medical Center, use the Heart Emergency Service in our Emergency Department located just east of Interstate 10 on 190—Exit 266—Gause Boulevard. Or call 1-800-HEART-13. Don't hide. Seek help.

Penguin family spotted at Moisant Field

The missing penguin family
has been spotted near Moisant
Field, according to a police

spokesperson.
The family, including two
children, has been missing in

New Orleans since Mardi Gras.
They had arrived in the city to
view parades and attend

carnival balls (in appropriate
attire, of course).
Police officials did not reveal
their source but said they had
reason to believe that the family
did not leave the city.

The family, consisting of a
father, mother, son and
daughter, had been previously
spotted at various French
Quarter locations, including
enjoying a meal at Antoine's
after being befriended by kindly
waiters.

The police spokesperson
said the family was believed
to be still in the New Orleans

area. She said a thorough
check of all outgoing
flights since Mardi Gras
revealed no penguins on the
passenger lists.

"And we all know that
penguins, although members
of the bird family, can't fly,"
she added.

Anyone spotting the penguin
family or anyone who believes
they may know where the
family is should stop at any
Schwegmann store and com-
plete a Frozen Food Month
entry form. The form has a
place to write in the location.

Warmer weather may threaten health of missing penguins

New Orleansians may soon be
enjoying beautiful spring days,
but the missing penguin family
will find problems with the
warmer weather.

A penguin expert said the
warmer weather may actually
threaten the health of the
penguins, a family of four
which has been missing in the
city since Mardi Gras.

"Penguins thrive in colder
climates, and while they may
live successfully in tropical
zones such as we have here,
their surroundings have to be
very controlled," he said.

"Usually penguins do best in
icy conditions near the Arctic."
Aquarium of the Americas
staffers expressed concern for

the penguins, also. Some said
the warming temperatures
meant increasing risk for the
family.

'Penguin Hotline' established

A special Penguin Hotline
number has been established
for persons wishing to help find
the missing penguin family.
Friends of the Penguins, a
local group, has set up the
hotline to encourage citizens

help in locating the penguins.
The telephone number,
942-5499, provides clues to
the whereabouts of the pen-
guins. The hotline is a free call
and may be called 24 hours a
day, seven days a week.
